Dear Friend,

It has never been more vital to reach the next generation with the gospel of Christ. As a church, we must connect with kids and teach them the truth that God loves them. He desires a personal relationship with them, and He has a plan and purpose for their life.

Today's students are tomorrow's teachers. Today's dreamers are tomorrow's innovators. Today's listeners are tomorrow's leaders.

This year's stewardship offering at Lancaster Baptist Church is for the Lord, it is for the cause of Christ, it is for the future, and it is for the kids.

Your friend,

*Pastor Chappell*
